WELCOME!

6th SAP A&D INNOVATION DAYS 2019
OPENING REMARKS & WELCOME ADDRESS

Greg Rietzke, VP Sales A&D, SAP
March 19, 2019
Three Facts About Seattle You Didn´t Know
FUN FACT:
People in Seattle buy the most sunglasses per capita than any other U.S. city
INNOVATION FACT:
Seattle first TV broadcast was June 3, 1929. Radio engineer Francis Brott broadcast images of a heart on a 1-inch screen.
CUSTOMER FACT:
Before William E. Boeing was building airplanes, he was building ships.
SEATTLE IS HOME TO BOEING
Largest manufacturing building in the world

Built in 1967 to manufacture the 747

Main assembly building = 472 million cubic feet of space over 98.3 acres

More than 30,000 people work at Boeing Everett
