

How Can an Alliance of SAP® Solution Providers **Best Enable Its Members** Across the Globe?

Keeping **39 members in over 40 countries** up to date
with the latest software developments

United VARs LLP is the leading alliance of SAP solution providers with an overall global coverage. To stay ahead of the technology curve and be market leaders for SAP® software implementations, United VARs members must be continuously enabled with the latest SAP software skills and knowledge. They needed a solution that would facilitate real-time enablement and proficiency to help them stay current with the most recent innovations across the entire SAP software landscape.

THE BEST RUN

United VARs members can now gain new skills in real time, helping them deliver **state-of-the-art consultancy**.

With the **professional edition of SAP® Learning Hub**, members of United VARs, a global alliance of SAP channel partners, benefit from:

- Immediate, 24x7 access to a digital learning platform with the latest SAP software training content, including self-paced e-learning courses and live sessions with SAP experts
- Continuous learning with an average of 1.5 courses accessed per month and participation in 99% of the SAP Learning Rooms provided
- Guidance on the best route to solution proficiency with the visual Learning Journey guide, offering an integrated view of all relevant training materials with recommended paths to competency
- A single resource for enablement of more than 800 learners that enhances United VARs' educational offerings and spans more than 15 SAP solution areas
- Enablement helping their clients become an intelligent enterprise

“We needed **an enablement solution as agile as our consultants**. The professional edition of SAP Learning Hub helps our members build their skills and stay current by providing 24x7 access to the latest educational content and a whole community of learners.”
