To find out more, please contact your SAP representative or visit us online. For organizations with solutions in multiple categories, we recommend SAP Learning Hub, professional edition.

*Training systems are not available for all courses.
The edition of SAP Learning Hub for people engagement is a comprehensive digital learning solution that helps novices and experts alike become – and stay – proficient.

Follow interactive, visual Learning Journey guides that map recommended paths to competency on both cloud and on-premise people engagement products from SAP, such as core HR and payroll, learning and development, performance and compensation, recruiting and onboarding, time and attendance management, and workforce planning and analytics solutions from SAP.

Join social and collaborative SAP Learning Rooms, led by SAP experts, to exchange ideas and get advice through live sessions, video tutorials, best practices, quizzes, blogs, and study materials for SAP solution certification exams.

Gain unlimited, 24x7 access to an abundance of learning resources – video tutorials, knowledge assessments, delta training, soft skills e-books, and more. Get hands-on training on preconfigured software with 10 hours of access to the SAP Live Access portal and demonstrate your expertise through up to two online certification exams. All of this is included with your subscription to SAP Learning Hub, edition for people engagement.

Enable ongoing proficiency across all roles and skill levels, and **take the fastest route to success** with SAP Learning Hub, edition for people engagement.
